Introduction

The Carlsbad Cultural Arts Office and the Carlsbad Arts Commission invite applications for the annual Community Arts Grants program. Community Arts Grants are designed to help Carlsbad arts organizations, artists, and community and educational groups achieve their artistic and administrative objectives, while simultaneously providing cultural and artistic opportunities for Carlsbad residents. There are two categories of grants:

(1) Organizations/Artist Partnerships

(2) Arts Education

Proposals may involve visual, performing, literary or media arts. The overall goals of the Community Arts Grants Program are:

- To provide opportunities for the artistic and cultural development and enjoyment of our residents.
- To support all arts disciplines and artists in every stage of their careers.
- To encourage the development of culturally diverse activities.
- To ensure that the arts reach all segments of the population.

Guidelines

What We Fund

Proposals eligible for funding under **Organizations/Artist Partnerships** include:

- Publicly accessible performances and exhibitions of the arts that take place within the City of Carlsbad.
- Community arts projects, such as workshops, lectures, etc, that provide arts opportunities to people who are not necessarily professional artists, and take place in Carlsbad.

Proposals eligible for funding under **Arts Education** include:

- In-class and before/after-school projects involving guest/practicing/professional artists and providing students with arts participation activities, including artist-in-residence activities, collaborative programs and events by student artists which are open to the public.
- Support for ongoing activities of school-based, student extracurricular organizations that the public may attend. Funded activities must take place within the City of Carlsbad.

Who We Fund

Community Arts Grants are available to not-for-profit, tax-exempt organizations, as determined either by the Internal Revenue Service or the California State Franchise Tax Board. Organizations that wish to submit proposals but do not have not-for-profit incorporation status may apply through a Fiscal Sponsor (*an organization which has non-profit incorporation status*). The Fiscal Sponsor will be responsible for receiving and dispersing awarded funds. The Fiscal Sponsor must be willing to perform this service at no more than 10% of the amount awarded to the applicant. An organization which acts as a Fiscal Sponsor for another organization will NOT be prevented from applying for a grant for its own programs.

Partnerships: All arts organizations headquartered outside the City of Carlsbad and all individual artists, whether or not they are Carlsbad residents, are only eligible to submit proposals in partnership with Carlsbad-based organizations or schools. Partnership proposals involving individual artists must be submitted by the partnering Carlsbad organization or school, which must provide all support documents required in its application category. Partnership proposals involving outside organizations may be submitted by the outside organization and must include a Letter of Participation signed by the Chief Executive or Principal of the partnering Carlsbad organization or school. This letter must specifically identify the role of the Carlsbad partner in the proposed project.

Arts Education Grants are available to Carlsbad public and private schools, student organizations, and authorized parent support groups. Arts Education proposals in partnership with outside organizations must demonstrate significant involvement by the partnering Carlsbad school in the proposal's development. Grants are not given for activities that are part of the regular curriculum, such as ongoing art classes or for one-time assembly programs by outside partner organizations.

Elementary Schools may submit one application per school site.

Middle Schools may submit up to two applications per school site.

High Schools are not limited in the number of applications per school site.

What We Do Not Fund

- Scholarships, fellowships or tuition assistance
- Direct grants to individuals
- Capital expenditures (*See definition and exceptions below*)
- Costs incurred before the start of the funded project (*earliest start date is January 1, 2010*)
- Applications to reduce existing deficits
- Arts activities outside the City of Carlsbad
- Travel expenses or entry fees for Competitions
- Pageants, Fund-raising Events or Hospitality costs
- Publication of manuscripts or compositions not created as part of a grant-supported project
- Activities not open to the Carlsbad general public
- School programs traditionally part of the academic curriculum
- Projects that are primarily religious in nature
- Proposals from for-profit business entities

Capital Expenditures are: purchases of real estate; facility or property construction, renovation or repair costs; purchase of equipment related to general operations

Exceptions are: purchases or repairs of arts-specific equipment with the capability of extended use over several years (musical instruments, kilns, etc.). Proposals requesting funds for such expenses should be discussed in advance with the Community Arts Coordinator and may not exceed \$500 in requested funds.

Who We Do Not Fund

- Applications submitted by government agencies.
(*Exception: public K-12 schools under the Arts Education category.*)
- Applications submitted by support groups of City departments or facilities.

Grant Amounts

\$25,000 is available for the 2010 Grant cycle. Of this total, up to 50% (\$12,500) may be allocated for Arts Education grants, to be determined by the Review Panel. Each Arts Education proposal is restricted to a maximum request of \$1,200. Organizations/Artist Partnerships proposal requests are not restricted.

Matching Requirements

Grants can only amount to 50% of the entire proposed project costs. All grant money awarded must be fully matched. The applicant must provide half or more of the total project cost in cash or a combination of cash and in-kind contributions from other sources, identified in the Project Budget.

(*In-kind contributions refer to facilities, supplies, equipment, and services whose monetary value can be determined and that are necessary to the project and otherwise must be purchased or rented by the applicant to conduct the project.*) In cases of demonstrated special need, a high in-kind match may be acceptable. These cases must be discussed with the Community Arts Coordinator prior to application. No more than 25% of the grant request may be used to purchase supplies related to the project.

Peer Panel Process

A peer panel consisting of artists and arts professionals from Carlsbad and San Diego County, and assigned members of the Carlsbad Arts Commissioners, will review and rate all grant applications, determine project worthiness, and recommend appropriate funding levels. All applications are individually evaluated with narrative comments, given numerical scores and collectively ranked. The process is designed to strengthen the evaluation process and ensure the integrity and success of the grants program.

The Carlsbad Arts Commission reviews the peer panel recommendations and awards the grants.

Review Criteria

Proposals will be reviewed and rated on the basis of the following criteria:

Scope of Project: Proposal fulfills at least one Community Arts Grants goal and meets guidelines. (See Page 2: Introduction)

Artistic Merit: Project relates to applicant's mission; project objectives are clear; project demonstrates quality with regard to participating artists, type and level of activities, and opportunities for residents to participate.

Community Impact: Project establishes or strengthens consistent programming in Carlsbad by applicant organization; demonstrates participation by Carlsbad artists, students, members, volunteers or others; demonstrates history of Carlsbad audience attendance or other participation; addresses unmet needs or underserved audiences; serves significant number of Carlsbad residents in relation to proposed grant amount. New applicants must demonstrate significant impact or ability to draw Carlsbad audiences.

Fiscal Readiness: Project Budget demonstrates need, appropriate funding match, effective use of funds, organizational accountability and reasonable relationship to organization's annual budget.

Organizational Readiness: demonstrated ability to conduct project successfully; Board/volunteer support; qualified part-time or full time staff; appropriate financial record-keeping; diverse financial resources.

Notification, Contracts and Payments

- A notification letter of acceptance or denial will be sent to each applicant by December 15, 2009. This letter serves as the agreement between the Cultural Arts Office and the approved grantee.
- The Cultural Arts Office reserves the right to negotiate the location of grant-funded activities.
- The first payment of 75% is made after the Cultural Arts Office is notified by letter that the project has begun.
- The second and final payment of 25% is made upon receipt, review and acceptance of the applicant's Final Report Form.

Changes

Proposed legal amendments to approved projects and contractual agreements for grant funds must be submitted in writing to the Cultural Arts Office by the grantee for approval.

Any changes in purpose, personnel, location, date, activity or budget must receive Cultural Arts Office approval before grant funds may be used.

Financial Management

Grant recipients are required to maintain accounts, records and the evidence pertaining to costs incurred and revenues acquired under the respective grant program.

More specifically, grantees should be able to provide upon request:

- Accurate, current and complete disclosure of the financial accounting for the grant project.
- Records that identify adequately the sources and application of funds for grant-sponsored activities.
- Accounting records which can be supported by source documentation: invoices, receipts, bank statements, etc.

Public Acknowledgement

Grant recipients must credit the Cultural Arts Office for its contractual support of the project in printed and broadcast promotion, electronic media, brochures, posters, programs, handbills and other promotional material. Grantees failing to provide the required credit may forfeit the remaining grant funds due in the current cycle or be denied application in the next grant cycle. The following acknowledgement must appear on all published materials concerning the funded project:

“This program is made possible in part by a Community Arts Grant from the Cultural Arts Office of the City of Carlsbad.”

In addition, grantees must keep the Cultural Arts Office informed of all program dates and times. Grantees are encouraged and expected:

- to extend individual invitations to the member of the Carlsbad City Council and Carlsbad Arts Commission. These invitations must be received by the members a minimum of fourteen days in advance of the event.
- to provide full and timely information to the Cultural Arts Office so grant-funded programs can be included in the Cultural Arts Office's thrice-yearly newsletter, Carlsbad Arts News.
- to make every effort to provide photographs suitable for use in Cultural Arts Office publications of the activities and participants of funded projects.
- to extensively promote funded events and projects.

Monitoring and Site Visits

The Cultural Arts Office will monitor grant projects during the course of the grant cycle. Grant applicants may be contacted by the Cultural Arts Office staff and may receive a site visit. The reports of these site visits will be inserted into grant application files and provide a basis for evaluation of future requests.

Final Report

Grantees are required to file a financial and narrative Final Report within 30 days of the project completion, unless an extension has been mutually agreed upon between the grantee and the Cultural Arts Office. In any case, Final Reports for all 2010 grants must be filed by December 31, 2010. The Final Report must identify all income sources and amounts.

If the Final Report from a Grantee's previous year's funding has not been submitted to the Cultural Arts Office, new funds awarded to the Grantee for the following year will not be released.

Staff Assistance

Cultural Arts Office staff will be available to assist applicants at a public grant workshop. (See page 1 of these guidelines for date, time and location.) The applicant should read the guidelines thoroughly and if the applicant has further questions, contact the Community Arts Coordinator, Colleen Finnegan: T: 760-434-2900; Email colleen.finnegan@carlsbadca.gov
